

DWB MODEL

8" I-Beam Dump Trailer

IRONBULL
A NEW BREED OF TRAILERS

Featuring the Side Armor™ body design, our DWB dump trailer makes hauling effortless. An 8" monoframe I-beam construction makes the unit 2" shorter than our standard DTB. Built with the same rugged user in mind as our DTB model, the DWB comes in standard configurations only, but should have all the options to satisfy the needs of any serious dump user.
